

ACTIVITY 13
WHEN THE OXYGEN GOES . . .

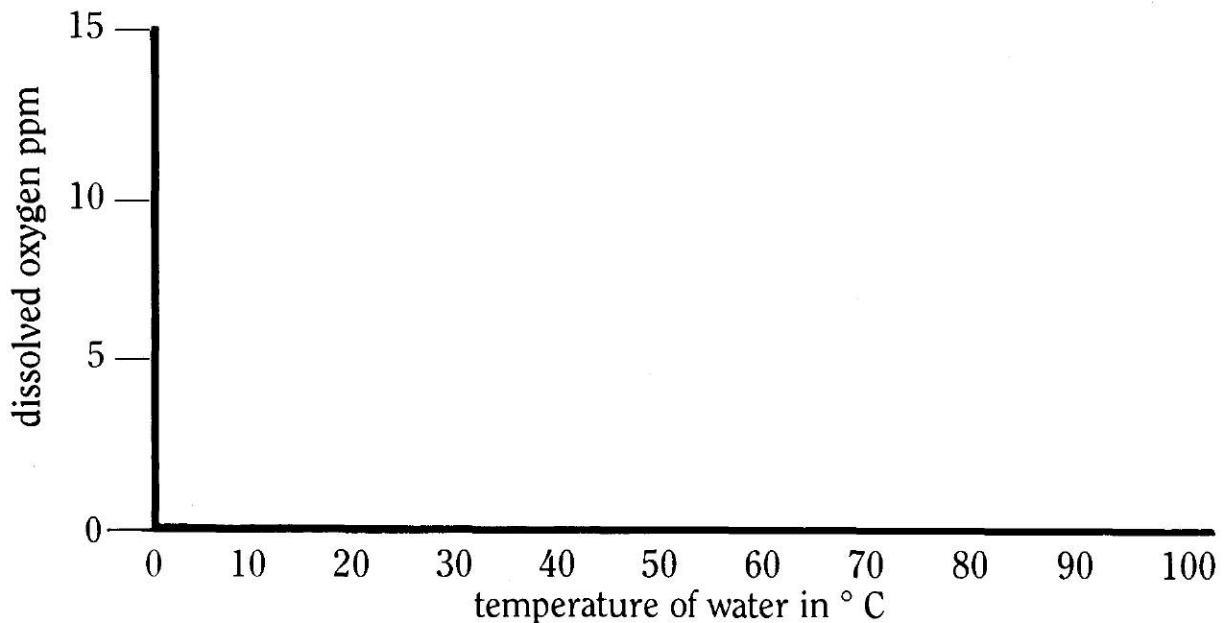

Name _____

State the question you want to answer by doing this experiment. _____

Record the results from each group's tests:

| temperature of water when sealed | dissolved oxygen in the water in parts per million | average |
|-------------------------------------|---|---------|
| | | |
| | | |
| | | |
| | | |

Graph the average result for each temperature:

What conclusion can you make based on the results of this experiment?
