

**PUGET SOUND PROJECT:  
THE CHANGING SOUND  
Grades 9-12**

**Table of Contents**

<b>Oysters on the Half Shell - <i>oysters as an indicator of the health of Puget Sound</i></b>	
Teacher Background .....	TB 1-1
<b>Where in the Sound? - <i>Puget Sound geography</i></b>	
Teacher Background .....	TB 2-1
Student Worksheets .....	2-1
<b>How Large a Sound? - <i>experimentally determining the size of Puget Sound</i></b>	
Teacher Background .....	TB 3-1
Student Worksheets .....	3-1
<b>The Changing Sound - <i>Puget Sound human history</i></b>	
Teacher Background .....	TB 4-1
Student Worksheets .....	4-1
<b>Get a Job - <i>impact of employment on Puget Sound</i></b>	
Teacher Background .....	TB 5-1
Student Worksheets .....	5-1
<b>Oyster Habitats - <i>ecological relationship</i></b>	
Teacher Background .....	TB 6-1
Student Worksheets .....	6-1
<b>Insides Out - <i>"folding oyster" introduction to oyster anatomy</i></b>	
Teacher Background .....	TB 7-1
Student Worksheets .....	7-1
<b>Inside the Living Oyster - <i>oyster dissection</i></b>	
Teacher Background .....	TB 8-1
Student Worksheets .....	8-1
<b>Out of Sight - <i>introduction to plankton</i></b>	
Teacher Background .....	TB 9-1
Student Worksheets .....	9-1
<b>Plankton Sampling - <i>net construction and use</i></b>	
Teacher Background .....	TB 9A-1
<b>Plankton I, II, III</b>	
Teacher Background .....	TB 10-1
Student Worksheets .....	10-1
<b>The Ol' Numbers Game - <i>changes in Puget Sound oyster</i></b>	
Teacher Background .....	TB 11-1
Student Worksheets .....	11-1
<b>Measuring Water Quality - <i>introduction to water quality monitoring</i></b>	
Teacher Background .....	TB 12-1
Student Worksheets .....	12-1
<b>A Word About Temperature - <i>temperature as a water quality factor</i></b>	
Teacher Background .....	TB 13-1
Student Worksheets .....	13-1

<b>Where Does All the O<sub>2</sub> Go? - measuring dissolved oxygen in Puget Sound waters</b>	
Teacher Background .....	TB 14-1
Student Worksheets .....	14-1
<b>Pollution in Paradise - introduction to contaminants and their circulation in Puget Sound</b>	
Teacher Background .....	TB 15-1
Student Worksheets .....	15-1
<b>Nitrates and Phosphates - measuring nitrates and phosphates in Puget Sound waters</b>	
Teacher Background .....	TB 16-1
Student Worksheets .....	16-1
<b>Getting Around the Sound - circulation of water and contaminants in Puget Sound</b>	
Teacher Background .....	TB 17-1
Student Worksheets .....	17-1
<b>Salinity - determination of salinity in Puget Sound waters</b>	
Teacher Background .....	TB 18-1
Student Worksheets .....	18-1
<b>pH Determination of Sea Water - measuring pH in Puget Sound waters</b>	
Teacher Background .....	TB 19-1
Student Worksheets .....	19-1
<b>Round and Round - more on Puget Sound circulation and bioaccumulation</b>	
Teacher Background .....	TB 20-1
Student Worksheets .....	20-1
<b>Turbidity - measuring the clarity of Puget Sound waters</b>	
Teacher Background .....	TB 21-1
Student Worksheets .....	21-1
<b>Sources - point source and non-point source pollution in Puget Sound</b>	
Teacher Background .....	TB 22-1
Student Worksheets .....	22-1
<b>Total Solids - determining total solids in Puget Sound waters</b>	
Teacher Background .....	TB 23-1
Student Worksheets .....	23-1
<b>Putting it All Together - examining the relationship between contaminants and oysters</b>	
Teacher Background .....	TB 24-1
Student Worksheets .....	24-1
<b>Moving Up the Chain - human health risks from contaminants in Puget Sound</b>	
Teacher Background .....	TB 25-1
Student Worksheets .....	25-1
<b>Analysis of Water for Bacterial Pollution - monitoring coliform bacteria as an indicator of sewage pollution</b>	
Teacher Background .....	TB 26-1
Student Worksheets .....	26-1
<b>The Big Picture - using the "Water Quality Index" to integrate monitoring results</b>	
Teacher Background .....	TB 27-1
Student Worksheets .....	27-1
<b>Where Do We Go From Here? - student actions for maintaining the health of Puget Sound</b>	
Teacher Background .....	TB 28-1
Student Worksheets .....	28-1
