

sunflower star

EATS:

sea cucumber,
chiton,
limpet,
cocle,
sea urchin,
moon snail,
hermit crab

EATEN BY:

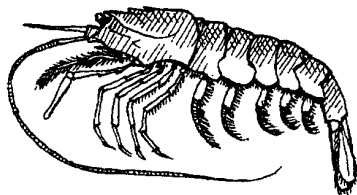

lugworm

EATS:

detritus,
algae,
small
bottom-dwelling
crustaceans

EATEN BY:

shorebirds,
fish -
(shiner perch,
C-O sole),
other worms -
(proboscis worm)

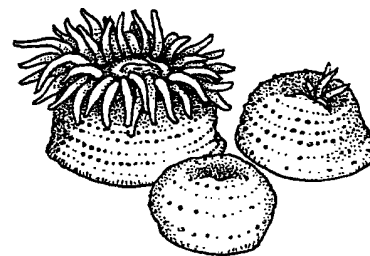

shrimp

EATS:

algae,
small clams,
marine worms,
temporary
zooplankton,
small fish,
other shrimp

EATEN BY:

squid,
wading birds,
shorebirds,
swimming and
diving birds,
fish -
(salmon, sculpin)

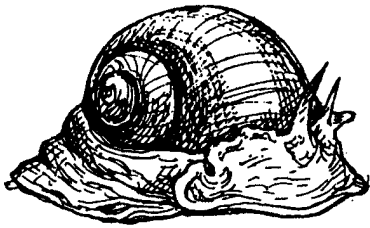

sea anemone

EATS:

small fish,
permanent and
temporary
zooplankton -
(crab larvae,
copepod),
insect larvae,
small isopods,
shrimp

EATEN BY:

fish,
sea stars -
(leather star),
some nudibranchs

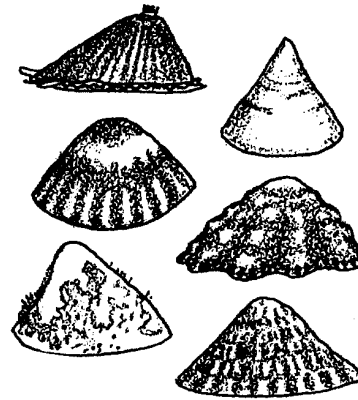

**molluscs, gastropods -
moon snail**

EATS:

clams,
other snails

EATEN BY:

sunflower star

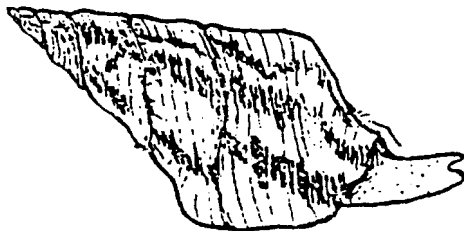

**molluscs, gastropods -
limpets**

EATS:

algae,

EATEN BY:

small fish,
shorebirds,
sunflower star

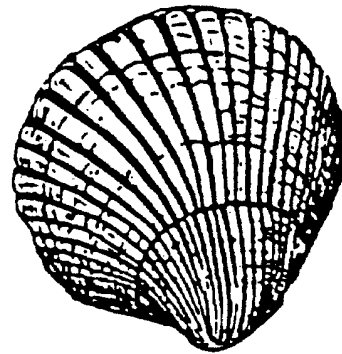

**molluscs, gastropods -
oyster drill**

EATS:

oysters,
clams,
muscles,
barnacles

EATEN BY:

shorebirds,
swimming
and diving
birds

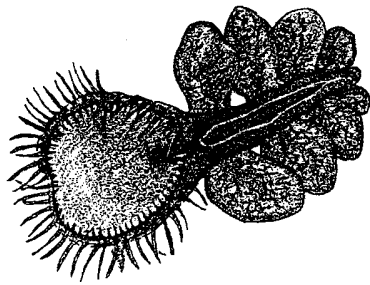

**molluscs, filter feeders -
cockle**

EATS:

algae,
phytoplankton,
zooplankton,
detritus

EATEN BY:

moon snail,
oyster drill,
crabs,
shorebirds,
swimming and
diving birds,
sunflower star

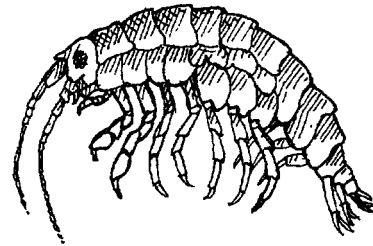

hooded nudibranch

EATS:

temporary
zooplankton,
amphipods,
other small
crustaceans

EATEN BY:

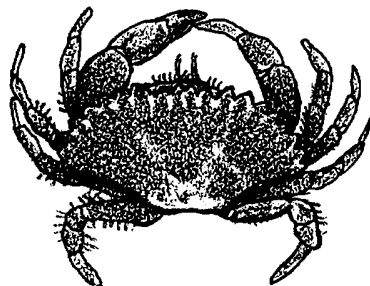

**small crustaceans -
amphipods, isopods,
mysids, cumaceans**

EATS:

temporary
zooplankton,
other small
crustaceans,
detritus,
jellyfish,
algae

EATEN BY:

bay pipefish,
small fish -
(herring shiner
perch),
marine worms,
C-O sole,
shorebirds,
sea anemones

red rock crab

EATS:

grass,
shrimp,
small fish,
other crabs,
oysters,
barnacles,
clams,
sea snails,
chitons,
limpets

EATEN BY:

fish -
(C-O sole, halibut),
otter,
wading birds -
(great blue heron),
other crabs,
shorebirds,
gulls

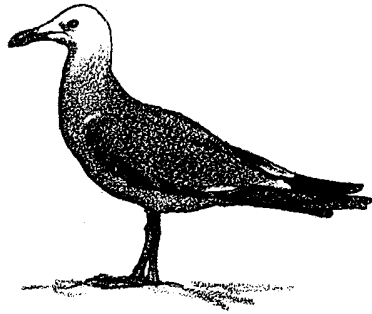

sea cucumbers

EATS:

detritus,
phytoplankton,
algae

EATEN BY:

sea slug -
(nudibranch),
sunflower star,
fish,
otters

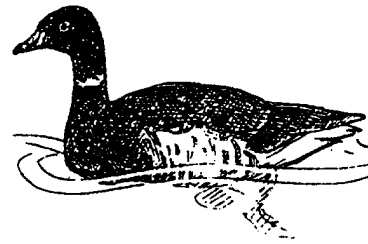

gull

EATS:

sea stars,
sea urchins,
crabs,
detritus,
fish,
barnacles

EATEN BY:

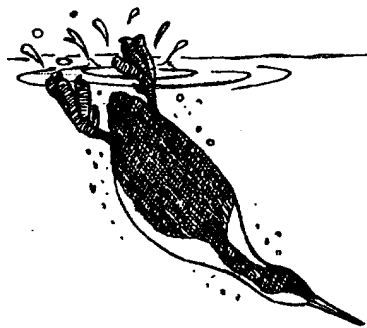

**waterfowl, surface feeding -
black brant**

EATS:

eelgrass,
algae,
small crustaceans,
sea snails,
marine worms

EATEN BY:

hawks,
eagles

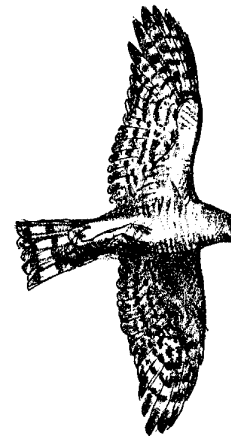

**swimming and diving birds -
grebe**

EATS:

shrimp,
crab,
sea snails,
small fish -
(herring),
insects,
small crustaceans,
marine worms

EATEN BY:

large fish

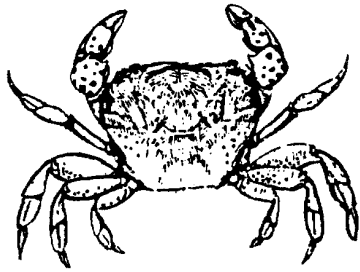

flying birds

EATS:

plan-eating
insects,
birds,
rabbits,
mice

EATEN BY:

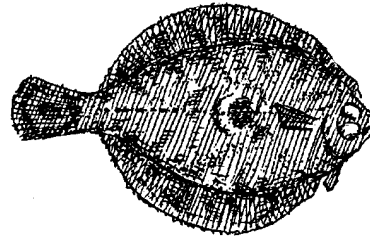

purple shore crab

EATS:

detritus,
algae,

EATEN BY:

wading birds -
(great blue heron),
shore birds,
swimming and
diving birds,
other crabs,
otters

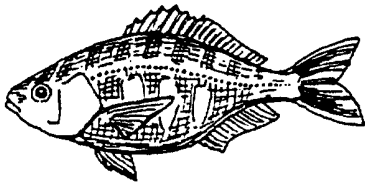

**fish -
C-O sole**

EATS:

squid,
shrimp,
crabs,
small fish,
marine worms -
(lugworms),
clams

EATEN BY:

small fish,
dolphins,
wading birds -
(great blue heron),
swimming and
diving birds

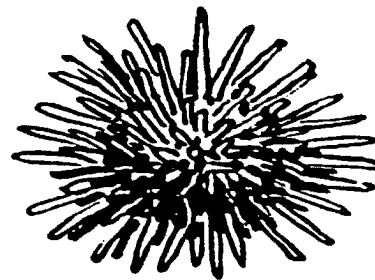

**small fish -
shiner perch**

EATS:

smallfish -
(herring),
amphipods,
copepods,
small crustaceans,
worms,
mussels,
algae,
barnacles

EATEN BY:

fish -
(sole),
dolphins,
otters,
wading birds,
shorebirds,
swimming and
diving birds

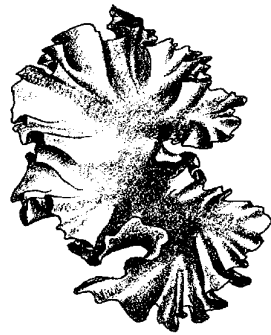

sea urchin

EATS:

algae,
attached
organisms

EATEN BY:

fish,
sea star -
(sunflower star),
shorebirds,
gull

algae

EATS:

plants make their own food

EATEN BY:

marine worms, sea snails, fish, clams, waterfowl, filter feeders, sea urchins, limpets

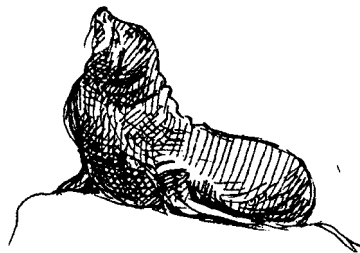

phytoplankton

EATS:

plants make their own food

EATEN BY:

permanent zooplankton, temporary zooplankton, barnacles, marine worms, clams, sun anemone

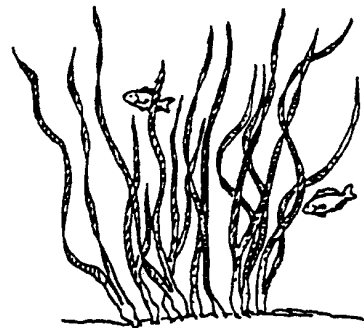

California sea lion

EATS:

fish - (salmon), squid, octopus,

EATEN BY:

orca

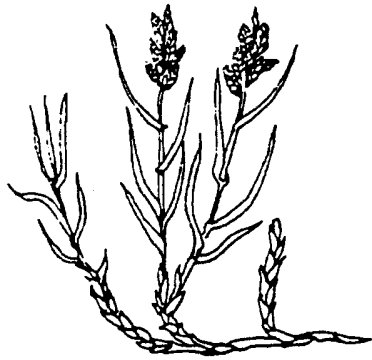

eelgrass

EATS:

plants make their own food

EATEN BY:

black brant, snow goose, Canada goose, coot

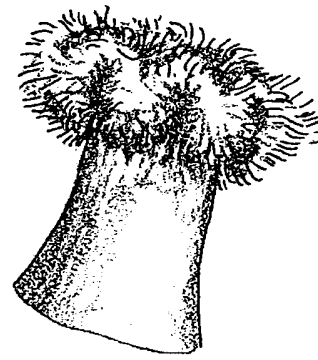

**grass -
saltgrass**

EATS:

plants make their own food

EATEN BY:

plant-eating insects, crabs, mice, rabbits

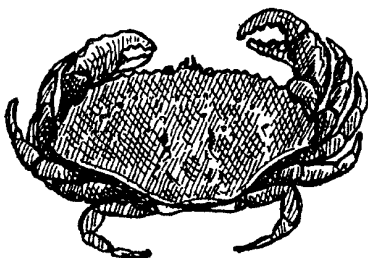

**filter feeder -
sun anemone**

EATS:

phytoplankton, permanent zooplankton, temporary zooplankton

EATEN BY:

sea slugs, sea stars

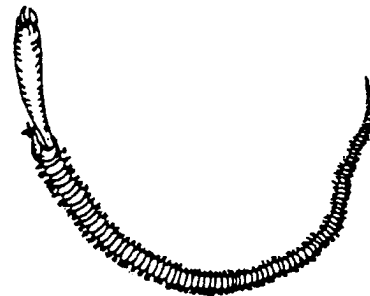

Dungeness crab

EATS:

oysters, barnacles, other crabs, clams, chitons, limpets, sea snails, mussels

EATEN BY:

other crabs, octopus, gulls, otters, fish - (C-O sole), wading birds, shorebirds, swimming and diving birds

**marine worms -
proboscis worm**

EATS:

bacteria, other worms, molluscs, small crustaceans

EATEN BY:

shorebirds, other worms, shrimp, moon snails, fish
